

# Use of English Part 3

## 101 WORD TRANSFORMATION SENTENCES for B2 First (FCE)

by KSE Academy®

# Introduction

This ebook is a compilation of sentences which aims to offer exhaustive practice for B2 First Use of English Part 3, focusing on word transformation processes.

It is aimed at students of English as a foreign language who are interested in improving their Use of English skills with a view to their B2-level exam, and at teachers who want some support material to use with their own students.

This document provides 101 sentences which cover the most common word transformations that have appeared in past B2 First exams. The idea is that students use these sentences to get as much practice as possible before taking the exam.

## About the author

These sentences have been written by Luis Porras Wadley, director of **KSE Academy**, an English language school based in Granada, which specialises in Cambridge English exams and general English.

Luis has been an English language teacher for most of his adult life, although he combines this profession with his love of blogging and translation. Furthermore, he is a trained **Cambridge Assessment English** exams invigilator and supervisor.
